*This building has significant energy uses not included in the rating. See "Building Details" on your Homeowner Information Sheet for details.

The energy consumption indicated on your utility bills may be higher or lower than your EnerGuide rating. This is because standard assumptions have been made regarding how many people live in your house and how the home is operated. Your rating is based on the condition of your house on the day it was evaluated.

Quality assured by: Total Home Solutions Inc.

Builder: Wilden Construction Corp.
